SUBJECT INDEX
Volume 10

A

Abortion, issues in, 458
Adolescent pregnancy, systems approach to, 287
Adrenalectomy patients, need priorities of, 379
Alcohol consumption in pregnancy, 256
Anesthesia, epidural, for obstetric patients, 9
Anxiety, and maternal attachment, 416
Assessment procedures
  perinatal, 42
  for postpartum adjustment, 19
Audiovisual material, on sexual assault victims, 138

B

Bonding of parents and infants. *See* Families
Book reviews
  Compulsory Hospitalization: Freedom of Choice in Childbirth: Vol. I *(Stewart & Stewart, eds.)*, 137
  Contemporary Obstetrics and Gynecologic Nursing *(McNall, ed.)*, 138
  How to Grow a Parents Group (Mason, Jensen & Ryzewicz), 137
  Maternal Nutrition *(Luke)*, 137
  Maternity Nursing *(Reeder, Mastroianni & Martin, eds.)*, 138
  Planned Home Childbirths: Parental Perspectives (Conklin & Simmons), 138
Breast cancer, and need priorities of adrenalectomy patients, 379
Breastfeeding
  basics of, 316
  hospital policy for, 134
  of infants with cleft lip and/or palate, 329
  knowledge of nurses concerning, 28
    inconsistencies in, 430
  maternal practice and attitudes towards, 91
  nipple graspability aids in, 277
  by working mothers, 201; 459
Breast milk bank, organization of, 434

C

Cancer of breast, and need priorities of adrenalectomy patients, 379
Cervical cap, as contraceptive method, 271
Cervicitis, chlamydial, 299
Cesarean birth, and needs of parents, 372
Children, pelvic examination of, 208
Chlamydial infections in women, 299
Cleft lip/palate infants, feeding of, 329
Clinics, antepartal, patient participation in, 75
Contraception
  cervical cap in, 271
  choices of female university students, 426
Counseling
  first trimester, in private practice, 336
  in genital herpes, 446
  of older primiparas, 182
Couvade practices, review of, 356

D

Death of infant, family support in, 281
Diabetes in pregnancy, nursing care in, 188

E

Editorials, 5; 73; 153; 245; 325; 405
Education for childbirth
  and attitudes of high-risk indigent women, 265
  community-based support group in, 197
  and first-trimester counseling in private practice, 336
  and participation in antepartal clinics, 75
  program in hospital obstetrical department, 362
  study by NAACOG, 155
Education programs for nurses
  home-study module on pregnancy-induced hypertension, 212
  perinatal education in Tennessee, 451
Epidural anesthesia, for obstetric patients, 9; 458

F

Families
  anxiety affecting maternal attachment, 416
  conceptual framework of bonding in, 440
  concerns of multiparas on third postpartum day, 421
  counseling of older primiparas, 182
  couvade practices in, 356
  facilitation of mother-infant attachment, 294
  fathering education classes, 455
  maternal concerns after one week at home, 391
  maternal illness affecting attachment processes, 366
  mothering patterns of low-income black primiparas, 174
  needs of cesarean birth parents, 372
  nurse role in parent-infant bonding, 114
  parents of premature babies, 304
  paternal-infant bonding in first-time father, 261
  postpartum adjustment in, 19
  postpartum separation of mother and infant, 120
  of pregnant adolescents, 287
  preparation for childbirth. *See* Education for childbirth
  psychological tasks for infertile couples, 132
  and role of postpartum follow-up nurse clinician, 249
  support for bereaved parents, 281
  support during neonatal crisis period, 204
Fatherhood. *See* Families
Feeding of infants
  breastfeeding. *See* Breastfeeding
  with cleft lip and/or palate, 329
  and organization of breast milk bank, 434
Fetus
  antepartum testing program, 110
  monitoring of
    and attitudes of nurses, 315
    continuous tissue pH monitoring, 164
    patient acceptance of, 237
Film reviews: Treating the Sexual Assault Victim, 138

G

Genital herpes, counseling in, 446

H

Herpes, genital, 446
High-risk pregnancy
  and effect of childbirth education classes on attitudes of indigent women, 265
  and maternal-newborn attachment behavior, 366
  in normal patients, 348
Hospitals
  changes in obstetrical department, 362
  laundering standards for, 134
Hypertension, pregnancy-induced, 212

I

Incontinence, urinary, 407
Infertility, and psychological tasks for couples, 132
